

Tech Discoveries Contract 2003-2004

We the members of the Technology Discoveries Class agree to the following rules:

1. We will be nice and have a positive attitude
2. We will say "Hi" to Ms. Beltrán everyday
3. We will use ALL equipment in this class properly
4. We will stay at our computer and on task
5. We will take responsibility for our actions and our learning
6. We will put away our food and spit out our gum BEFORE class

Grading Policy

Each Skill is worth 400 points and is broken down in the following way:

Skill Lessons/Final	300 points	100% - 90%	A
Internet Journal	100 points	89% - 80%	B
		79% - 70%	C
Total	400 points	69% - 68%	D
		67% - 0%	Fail

During our time together we will complete seven Technology Skills, including the class final. In order to pass this course, **students must pass ALL seven skills**. Failure of a skill results in failure of the class. Remediation will be allowed throughout the quarter. *The Wednesday tutorial time for this class is 1st tutorial (8:15 - 8:55)*

I _____ have read and understand the rules while participating in the Technology Discoveries Class. Failure to follow these rules will result in failure and/or removal from the class.

I _____ understand my students class rules and expectations.
